

New process for RS-CAP review

Published campus deadlines will not be altered to accommodate this additional review. Once the Deans' offices prepare files for RS-CAP, they will forward to Academic Personnel Services (APS) who will forward to the Office of Research Affairs (ORA) for RS-CAP review. Once reviewed, ORA will return the file to Deans' offices with RS-CAP recommendations. Deans will review, add recommendation and forward to APS for CAP review. CAP will provide recommendation to EVC. Any requests for additional information or disagreements will be routed through APS to Deans' offices for responses.

The Office of Research Affairs will provide operational and staff support for RS-CAP, and will work with Academic Personnel Services (APS) in routing and ensuring efficient review and file processing.
